Before signing your application to join Angus Crafts Association, please read the Constitution fully. By signing, you are agreeing to the criteria for membership and the conditions set out within the constitution.

Signature..... Date.....

You should expect to hear from the Membership Secretary within 10 days of your application, when you will be offered a date to submit your work for assessment. Your cheque will not be cashed until your membership is confirmed

Please use the space below for any other comments you wish to make regarding your application.

## How To Become A Member

Membership is open to any crafters living and working within Scotland who are involved in...

*“The production, sales and marketing of unique, high quality products, designed and produced by the maker (or under their direct personal control) and with a high degree of hand-made input.”*

The ACA only accepts crafters for membership whose work demonstrates a high degree of skill and original design, we encourage work that is not assembled or made from kits.
